Dear Mr. Morisy:

On 16 May 2013, the office of the Information Privacy Coordinator received your 15 May 2013 Freedom of Information Act (FOIA) request for:

1. "A copy of the CIA's files concerning the May 16, 1961 coup d'etat and October 26, 1979 assassination of Park Chung-hee. These files have previously been processed and released under a FOIA request and appeal to George Katsiaficas of Wentworth Institute of Technology.
2. [You] also request the processing notes and files concerning Katsiaficas' original requests generated while processing those original two requests."

We have assigned your request the reference number above. Please use this number when corresponding so that we can identify it easily.

The CIA Information Act, 50 U.S.C. § 431, as amended, exempts CIA operational files from the search, review, publication, and disclosure requirements of the FOIA. To the extent your request seeks information that is subject to the FOIA, we accept your request and will process it in accordance with the FOIA, 5 U.S.C. § 552, as amended, and the CIA Information Act, 50 U.S.C. § 431, as amended. We will search for records up to and including the date the Agency starts its search. Because we believe fees will be minimal, in accordance with our regulations, as an act of administrative discretion, fees have been waived regarding your entire request.
